

Weight loss

Mr. Harshal pt , from pune age :- 40yrs wt :- 114 kg

Came with the problem of obesity.

Initially his weight was 114 kg

After taking few kinds of diet . He was not able to loose the weight and was facing problem because of over weight .

We treated him for 4 days and while his discharge his wt was 98.6 kg . That means within 4 days we helped him to loose his 5 kg weight.
