

Manoj pt testimony

Manoj pt

Mr. Manoj Gaikwad pt , from pune age :- 43yrs wt :- 103.6

Came with the problem of obesity.

Initially his weight was 103.65 kg

After taking few kinds of diet . He was not able to loose the weight and was facing problem because of over weight .

He got admitted in our hospital on 03/02025

We treated him for 4 days and while his discharge his wt was 98.6 kg . That means within 4 days we helped him to loose his 5 kg weight.
